

## South West Coast Path †

Kit Johnstone, Ph.D.  
Dorset, 2007

2 Coast Path South-West England is here,  
In mid July the sky was clear;  
The day was hot the spirit high,  
You almost feel you'll never die.

Kit Johnstone, Ph.D.  
Wilderness, 2010

† From South Haven Point in Dorset the path goes along the coast all the way to Minehead in Somerset.
